

ISLI

International Student Leadership Institute

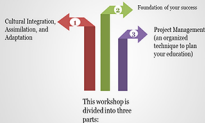

The **International Student Leadership Institute's** hallmark workshop provides systematic tools and guidance for international students who want to optimize their opportunities and experiences in the US while pursuing their academic goals. The workshop helps students to perform well in school, integrate and assimilate into their environments, and ultimately, achieve success. It also helps students harness their inherent leadership skills and covers applicable skills such as risk assessment and project management. The workshop is currently offered at DMV Community Colleges and several other educational institutions.

Topics covered in the workshop are :

- Cultural Integration, Assimilation, and Adaptation
- The Foundation of your Success
- Leadership: How to optimize the value in every step you take towards leadership
- Project management: A structured approach that will help students decide What (major), Where (type of schools) and How (time & quality management) to study.
"Your education is a PROJECT and it requires proper planning and execution"
- Financial management
- Risk Assessment Matrix: A tool that will help you make better decisions
- Sexuality and Society: offers students information to enhance their understanding of Sexually transmitted diseases (STD) and unplanned pregnancy
- F-1 Students Immigration Status

Welcome to the International Student Comprehensive Workshop

This workshop is intended to provide you with information, guidelines, and an organized approach to help you succeed in your academic mission in the U.S. and future endeavors.
